Motus USA announces the grand opening of The Avenue Plaza Hotel

NAGA CITY, PHILIPPINES. Motus USA announces the November grand opening of The Avenue Plaza Hotel, a 6,000 square meter multi-facility, centrally located in the bustling metropolis of Naga City in the Philippines. With a strategic location, this facility is attracting clientele from both business and commerce districts as well as the nearby banking and finance areas.

The "Avenue Plaza Hotel with its five-star amenities, will boost the local and foreign tourism in an already progressive city like Naga City," quoted Manny Villar, Senate President. The brand new hotel caters to an upper class, business level demographic. The Olympia Gym and Sauna was a significant complement to their accommodations. Seeking only the best of the best in equipment manufacturers to uphold the excellent standard of quality and performance in their fitness facility, the choice of cardio equipment was Motus USA. The Olympia Gym and Sauna overlooks a stunning view and executes itself as a state of the art facility incorporating only the highest quality units in commercial grade exercise equipment. The extensive line up of cardio equipment provided by Motus USA, offers their clientele the latest in cutting edge exercise entertainment with units that include fully integrated LCD TV screens for individual viewing satisfaction. It has been forecasted that this facility is highly anticipated to draw a significant amount of attention and interest into the rapidly growing Bicol district.

About Motus USA
